

DJ & PRODUCER - IAMT / RELOAD / BLACK SNAKE..

### Short Biography :

When you talk about Sara, you immediately talk about power & strength. Really interested in music, she began music lessons around 9 years old and never stopped until she purchased her first equipment at 17 years old. After many years of practice she got some really high DJ skills. As a real passionate, she also learned everything about techno production. Step by step she reached the top and has been charted on pos#20 with her track "Resistance" on IAMT. She received big support by Paco Osuna, Cristian Varela, Luigi Madonna, Hollen and many more..

She shared the cabin with big artists and played in venues all around the world. As a DJane, Sara detaches a lot of energy with melodic and forceful tracks. With a constant development and with pure passion Sara is one of the most emerging figures of the actual techno scene.
